

Australian Government
Department of Health and Ageing

Dear Responsible Person,

EXPANDED AND ACCELERATED PRICE DISCLOSURE

The Department is pleased to announce that the Price Disclosure Administrator (Australian Healthcare Associates) has now finalised development of the Price Disclosure Submission Utility (PDSU).

The PDSU is a stand-alone web-based software application for the submission of Price Disclosure data. Each PDSU has been compiled specifically for the sole use of each Responsible Person.

A letter outlining how to access your personalised PDSU was distributed to Authorised Representatives on Thursday 31 March 2011, via registered mail.

If your Authorised Representative has not received this letter by Wednesday 6 April 2011, please contact the Price Disclosure Administrator via telephone: 1300 336 062 or email: admin@pricedisclosure.com.au

Kind regards
