

Application to list a Drug or Medicinal Preparation as a Pharmaceutical Benefit

The Secretary
MDP 952
Department of Health
GPO Box 9848, Canberra ACT 2601

I _____ of _____
(Name and address of Company or Manufacturer)

request that the product set out below be listed as a pharmaceutical benefit.

PBS Code (if listed)	Official or Approved Name	Form and Strength	All available packs	Pack Identification (for pricing details overleaf)	Trade Name or Brand

Please supply the following details:

- Source of active ingredients (*Manufacturer - Country*)
- Active ingredients purchased from (*Name and address*)
- The product is processed by (*Name and address*)
- The product is packed by (*Name and address*)
- The product is to be distributed by
- Date when supplies will be available to Approved Pharmacists

Note:

- If the drug or medicinal preparation is not already listed as a Pharmaceutical Benefit a submission in accordance with the relevant Guidelines should be submitted for referral to the Pharmaceutical Benefits Advisory Committee (PBAC).
- Listing, or continued listing, as a Pharmaceutical Benefit, is dependent on the product conforming to appropriate standards. For this purpose, the Department may test official samples from production batches of the product from time to time.
- Notification of price alterations for items already listed should be made on Form 1066 (PB11a).
- Costs information should be provided on Form 1250 (PB11b).

Pack Pricing Details

Australian Market Price					
Pack Identification (from overleaf)	Price when purchased by Approved Pharmacist				
	Through Accredited Wholesaler			Direct from Manufacturer or Supplier	
	(a) *List Price (a = b + c)	(b) Price to Wholesaler	(c) + Wholesaler's Margin	*List Price	++Actual Net Price

* List price means maximum price to pharmacist.

+ Wholesaler's margin means the margin which is recommended by the Manufacturer and accepted by the Commonwealth Government.

++ Actual Net Price is the price actually paid by the Pharmacist for the particular pack after discounts, rebates or other applicable inducements.

- Is the product imported and available overseas Yes No

If **YES**, list, for each of the above packs, the relative prices in the Country where the parent company is situated. Convert these prices to \$A and state the conversion rate used.

Conversion rate _____

Overseas Prices			
Pack Identification (from overleaf)	Price when purchased by Retail Pharmacist		
	Through Accredited Wholesaler (list price)	Direct from Parent Company or Manufacturer	
		*List price	++ Actual Net Price

- Remarks

I certify that the information given is correct in every particular and the actual net prices shown have been calculated by subtracting from the List Price discounts, rebates, bonuses and other applicable inducements allowed by:
